Virtual training of Capacity building of DPO

Date: 30 August 2020

Male: 14, Female: 5 Total: 19

Place: Simga, Balodabazar, Palari & Bhatapara

Summarize the event – contextualize by briefly relating with the objective of the event and/ or providing situational analysis of need of event; mention the role of partners and Sightsavers; chief guest and other dignitaries present (mention designations); date, venue, participants (men & women) Amid pandemic a one day Virtual training of Capacity building of DPO leader was organized with support of Sightsavers by keeping in mind COVID-19 guideline. In this training 16 DPO leader form Balodabazar district four block Palari,sigma, bhatapara, Balodabazar took part. Training mainly focus on few aspects, sharpening interpersonal and communication skills, making wise and prompt decisions effective, developing analytical skills and ability to keep an eye on the things going striking perfect balance between work and personal life, encouraging and motivating team member, Awareness of the concepts of an Institution and functions of an Institutions, sensitization on benefits of a strong Institution. Resource for this virtual training was Mrs. Shambu Kumar, Consultant, EY, Raipur. Session start with introduction of participants as well as resource person then after resource person ask DPOs to explain how their organization is working, management structure, work area, achievement till date. Resource person appreciate DPO for their great work and said that in order to strengthen their organization they need to unite for long run. Resource person said that to run their organization then need financial support for that for that they need to collect member ship fee from all the member on monthly/yearly basis. He said that many of DPO organization and SHGs fails due to lack of cooperation between all the members in order to sustain their organization they need to be partial at every step. Also suggest DPO members to maintain register of membership, meeting minutes, advocacy register.

Resource person said that Disable person organization first identify challenges and issue face by members accordingly they can make plan and also prioritise issue. And also form government there are many schemes available for PWDs such as KYC, PMEGP, MSIC, MSME, UDYAGNI, NHFDC, Skill development.

Resource person also suggest that in order to strengthen organization financially member can use technology and link with online marketing and said that DPO member should make one information centre from where all PWDs get information related to schemes, employment opportunity etc.

Resource person said that the capacity building support needed by organisations will vary depending on several factors: whether they are new or established, working at the grassroots, district or national level, on the context of their work, and what they are trying to achieve in the short and long term. So 'good' capacity might look slightly different from one organisation to another at any given time. However, there are some common characteristics which have been identified, as essential for building an effective organisation. These can be categorised within the 3 areas of capacity – to be, to do and to relate.

- **CAPACITY TO 'BE': IDENTITY, LEADERSHIP, MEMBERSHIP, STRUCTURES AND SYSTEMS-** Democratic, representative and inclusive – able to reach out to and include persons with disability in their area, especially those most marginalised because of their gender, age, location, type of impairment, poverty; effective and representative leadership and succession; clear mission and objectives; Sustainable, with efficient systems for financial management, human resources and mobilising resources.
- **CAPACITY TO 'DO': ACHIEVING THE ORGANISATION'S MISSION AND OBJECTIVES-** Effective at supporting their members to build knowledge, skills and access opportunities; effective at challenging negative attitudes to disability; effective at representing their members' perspectives through engagement with powerholders at all levels.
- **CAPACITY TO 'RELATE': LINKING EXTERNALLY TO INCREASE THE IMPACT OF THE ORGANISATION'S WORK-** Effective at engaging with external organisations which can help the organisation to carry out its work or increase the impact its work; linked to other organisations within the disability movement, both horizontally and vertically; contributing to the collective 'voice' of persons with disabilities at local and national level.

Resource person also discuss on by laws of DPOs what need to keep in mind and there must be some changes in by laws as per requirement and every key member must know their role and responsibility and at last he also mention that DPO must prepare yearly action plan.

At the end of session question and answer, feedback session conducted between DPOs and resource person.

National Sport day 2020

Date: 29 August 2020

Male: 79, Female: 59 Total: 138

Case Story

Name: Baby Verma

Age: 32, Village: Sankari P

Baby from Balodabazar Chhattisgarh has 60% locomotor disability and is supported by Sightsavers under the Social Inclusion Programme. She lives with her mother and two siblings and she is youngest among all she belong from very poor family, she lost her father in early stage of her life. Her mother is working as agriculture labour. She completed her MA from DK collage, Balodabazar. inspite of disability she completed her education. She said that disability is not barrier if we want to achieve anything in life. Brief about intervention- how he/she heard support was available; what did he/she feel; significant challenge before intervention; kind of support he/she received/ role Sightsavers played. Talk to family members, a health worker or teacher for opinion on the situation- capture direct quotes in “inverted commas” At 30 years of age, she is a member of a Disabled People’s Organisation and works as a mitanin in her village, in her free time she use to teach children as part of social work. She is also member of Umang Grihini Self Help group and group members are engaged in tailoring. During the pandemic, Baby found the chance to help

those who are facing problem due of the lockdown. She started to do regularly checking up on the persons with disabilities and other vulnerable group in her village. And she also spread awareness on COVID-19, teach social distancing, hand washing, how to take care of children, pregnant women, old age people during this pandemic. With the help of DPOs WhatsApp group regular updates like preventing the symptoms of Covid-19, guidelines of the government to protect the persons with disabilities from the pandemic were shared by her. Significant improvement after intervention; how he/she feel his/her life has changed; what can he/she do that they couldn't before – substantiate by capturing direct quotes in “inverted commas” Baby and her SHGs members decide to make facemask and volunteered in distributing facemasks till date she distributed 450 facemask and also food to those in need amidst during lockdown with support of Grihini team. She also coordinate with panchayat officials with support of block DPOs for distribution of ration to Person with disability on priority basis. 9 PWDs family families were provided with food and essentials after her involvement “The way Baby has been helping the villagers is appreciable. She is a source of inspiration for the rest of us,” says PWDs of her village.
