Help readers imagine the situation - describe what you see. Brief about the subject- include personal details such as age, disability, appearance; what led to this situation; problems he/she experienced and how his/her life was impacted; contextualise the subject; economic status, job, family situation? Describe his/her home and who lives there. What are his/her interests or favorite subjects at school? How does he/she spend his/her time? What's his/her personality and body language like? Budhyarin from Balodabazar, Palari block, Chhattisgarh has 80% locomotor disability and is supported by Sightsavers under the Social Inclusion Programme. She lives with her parents and siblings. She belong from small farmer family. Despite of disability she completed her education till class 8 her in village middle school. Brief about intervention- how he/she heard support was available; what did he/she feel; significant challenge before intervention; kind of support he/she received/ role Sightsavers played. Talk to family members, a health worker or teacher for opinion on the situation- capture direct quotes in “inverted commas” At 33 years of age, she is a member of a District and block level Disabled People's Organisation, Gender committee member of DPOs apart from this she use to do tailoring work in her home itself and she earn approximately Rs. 2000 to Rs3000 on monthly basis and support to her family financially. Apart from this she is also president of Self Help group and her group involved in livelihood activity such as market tax collection, Aagarbati selling. She also educate and aware other PWDs of her village about their rights.

With support of Grihini she took part in various training such as leadership, livelihood, TOT, SDG, RPWD ACT 2016 and after attaining this trainings she aware all the people of her surrounding to motivate them.

During pandemic, She voluntarily came out to help people of her village she made 227 mask and distribute to needy people of her village. She regularly checking up on the persons with disabilities and other vulnerable group in her village. With support of block level DPOs she also spread awareness on COVID-19 by making wall painting, teach social distancing, hand washing, how to take care of children, pregnant women, old age people during this pandemic. She also coordinate with panchayat officials with support of block DPOs for distribution of ration to Person with disability on priority basis. She told that she want to open on fancy store in upcoming year in her village where she want to perform her livelihood activity.
